I certify that the foregoing entries are correct and true as to the 8 persons who are enumerated by me, and that according to the information I received and believe, 8 persons were actually residing on St Paul, June 1st 1880 and that the Manitoba Railroad Company, Lumbermen's Exchange and Lumbermen's Boarding House were the only places where persons were enumerated who had no permanent residence elsewhere. I have also made diligent inquiry of the neighbors and others as to the names of persons who were living on the 1st day of June, 1880, but who have died since that date, and as to the names of persons who were born since that date, and have found no such cases to report, except as above. I have also made diligent inquiry as to the names of persons who were living on the 1st day of June, 1880, but who have since removed from the district, and as to the names of persons who have come into the district since the 1st day of June, 1880, and have found no such cases to report, except as above. I have also made diligent inquiry as to the names of persons who were living on the 1st day of June, 1880, but who have since died, and as to the names of persons who were born since that date, and have found no such cases to report, except as above.
